

Dear Parents,

We've had a brilliant week in school this week. Keeping Safe and Well week has brought us circus skills to help us learn how to be resilient, the NSPCC workshops have helped children to know where they can go if they need help or are worried about something and year 5 have had the privilege of taking part in a brilliant music workshop (see below).

Our school governors visited on Tuesday morning and saw much of what was going on around the school to help our children to learn how to stay safe and well. They also talked to staff and children about their own well-being and were most impressed with the way the children could talk about how to have a healthy body, a healthy mind and healthy relationships. Our Growth Mindset work has clearly had a big impact!

We've also had two class assemblies this week. 3A taught us all about the value of 'Reduce, Reuse and Recycle', entertaining us on the catwalk with their fashion show made from rubbish! 4T this morning based their assembly on the value of courage, using the story of The Black Dog as their basis and the children found it very entertaining with much laughter coming from the hall!

The sun shone for the swimming gala which was a great success and we are proud of all the students and their achievements, more details are in the sports news below.

Next week looks like another busy week - Reception are off to the beach on Monday which is due to be a glorious sunny day and we also have the music concert to look forward to on Wednesday. We will be ending the week with the school disco, don't forget to buy your tickets from the Friends website.

Have a great weekend.

## **What a musical week it has been for Y5!**

On Tuesday and Wednesday, the wonderful Music Magic (Jo and Waffy) led workshops to compose and create Aztec music using percussion instruments, tuned instruments, body percussion and chanting. The results were all the children's own work, which they performed to their parents on Wednesday afternoon – It is truly amazing what can be achieved in two days! **Y3 also had a fabulous musical morning with Jo and Waffy while Y4 were able to show off their clarinets and trumpets.**

On Thursday, 17 of our Y5 musicians spent the day at Sir Winston Churchill School in their Music Department. In one day they learned to play two pieces with their particular ensemble (guitars, violins, wind instruments or keyboards), learned a body percussion piece and two songs, including "Let it go," with a difference! During the concert to parents, the very talented music students at Winston also entertained us. Well done to Soham, Ananya, Iris, Sophie, Rita, Coral, Emma, Mustafa, Oscar, Aditya, Safiyya, Jiyah, Max, Wiebe, Tanishk, Eren and James – you were fabulous!

## School Lunches – Summer 2017

School lunches must be paid for in advance, either weekly or half-termly. Meals cost £2.20 each, so you would need to pay £11.00 for the week, or £70.40 for the next half term (32 days). It is your responsibility to ensure that there is money in the account. Should this not be the case, we will ask you to bring in a packed lunch. Please check your WisePay account and adjust your payment accordingly.

## Sports News

### Hawkins Do the Double

On Monday morning, approximately 300 swimmers took to the pool across a total of 55 individual & relay events in our annual Junior Swimming Gala. In scenes reminiscent of an event at the London Aquatics Centre, it was amazing to see so many of our children swimming with such confidence, enthusiasm and considerable ability (Mrs Richardson should feel very proud of what she is continuing to achieve here at Goldsworth). With Mrs Tattersdill's slick and ever professional MC skills, Miss Simpson's amazing organisational skills poolside and the House Captains excellent organisation in the auditorium, the races happened at a frenzied pace, keeping the excitement set to maximum throughout the morning. After every race, children pinned their ribbons to their chest with pride, regardless of the position they came. Every swimmer clearly gave their all, a true testament to 'Being the Best they Can Be'. Another massive highlight, was seeing those children who have not been best friends with swimming, show the courage and resilience to get in the water and give their all despite the challenge it presented to them. Incredibly proud we are of every swimmer that competed, but probably even prouder of those in the latter category. Hopefully, this provided a great stepping stone to them finding the water confidence they need to put swimming in their list of enjoyable things to do more regularly.

The Overall Results were as follows:

<b>Total</b>	<b>332</b>	<b>384</b>	<b>368</b>	<b>346</b>
	<b>Drake</b>	<b>Hawkins</b>	<b>Nelson</b>	<b>Raleigh</b>

A massive congratulations to all the houses on the terrific points scored, but particularly to Hawkins on their overall victory and especially to Sofia C, Zina S & Billy W for leading their house to another Inter house Victory.

Also on Monday, 12 tennis players from year 4 walked up to Woking Tennis Club for a thoroughly entertaining Mini tennis tournament. In a series of 8 minute matches, our 3 teams entered into battle with schools from across Woking. All players played in singles matches, tallying their own points and rotated around the courts to face new opposition. Our tennis players pulled off some terrific forehands down the line, some sublime cross court back hands, drop shots to rival the soft hands of Murray and served with accuracy and considerable vigour, providing great opposition for all the opponents they faced. After two hours of intense competition each of our 3 teams narrowly missed out on qualification through to the semi-finals. However, it was clear that all children had thoroughly enjoyed this marvellous opportunity to play tennis at this prestigious venue and everyone's game improved before my eyes, the longer the tournament progressed. Well done to Riley D, Harriet Y, Mckenzie D, Daniel R, Finbar C, Sam C, Lily L, Alannah C, Griffen P, Sam S, Matilda B & Daisy B – possible tennis stars of the future every single one of you!

Tonight, Cara F & Otis W are due to attend their first training session as they prepare to represent the District in the Surrey Quad Kids Athletics finals – good luck to them with all their preparations.

Next week, 10 year 2s will be heading over to Barnsbury for a Multi-skills festival, while most excitedly of all, Infant Sports Day is upon us where all of Reception, Year 1 and Year 2 will take part in a carousel of sports challenges designed to test and further improve their balance, agility and co-ordination. Following that, each child will sprint down the track to begin their bid to be crowned class champion. Hope everybody is looking forward to this afternoon of sport and get lots of rest over the weekend so you have all the energy you need to compete with gusto and determination.

Keep Sporting!

## NSPCC Fundraising

**Monday June 26<sup>th</sup> 2017**

**Come to school in your pyjamas or onesie.**

Following the Keeping Safe and Well Week we would like to donate money to the NSPCC for all the work they do to support children and to thank them for coming into school and sharing the importance of Speaking Out.

Please bring in a donation of between £1 and £5 in a sealed envelope (or more if you wish) - all money will go to the charity to continue with their great work.

We recommend children have shorts and a T-shirt underneath their onesies, or in a separate bag, in case they get too hot!
