

**Information on the Regulations**

The Childcare Act 2006, and Regulations made thereunder\*, apply to school and academy settings as well as to childcare settings.

In order to comply with these Regulations, schools are required to ensure that certain individuals that the school employs or wishes to employ (as well as volunteers) are not disqualified from working with children who have not yet reached the age of 8. All staff responsible for the provision of childcare or for the management of that provision (including new appointees or upon a relevant change of role) must therefore complete the declaration below and will be asked to do so again periodically in the future.

If a member of staff / volunteer is disqualified, there may be an impact on their ability to commence or remain working with the relevant age group. A disqualified person is not permitted to work in a setting providing care for children under age 8, unless they apply for, and are granted, a waiver from Ofsted.

A person may be disqualified from working at a school through:

- Inclusion on the Children’s Barred List;
- Being cautioned for, or convicted of, certain violent and sexual criminal offences against children and adults;
- Grounds relating to the care of children (including where an order is made in respect of a child under the person’s care);
- Having registration refused or cancelled in relation to childcare or children’s homes or being disqualified from private fostering.

An offence committed overseas will also disqualify the individual under the Regulations if it would have disqualified the person had it been committed in any part of the United Kingdom.

Details of what constitutes disqualification can be found in the following schedules to the Regulations (hard copies can be obtained via the school office if required):

**Please note that you do not need to declare any minor cautions or convictions which are ‘protected’ under the Rehabilitation of Offenders ‘Exceptions Order’ (and which are removed or ‘filtered’ from DBS certificates). For more information visit**
