

Be the best we can be

Head's Lines

Dear Parents and Carers,

It has been another super busy week in school with so much to celebrate.

The sports days were both amazing opportunities for every child in the school to contribute to their house achievements and to show off their sporting prowess! The children all did their best and the display of running, jumping, throwing and multi-skills was fabulous. Well done to all the children and thank you so much to Mr Worth who masterminded each event so well. There have been further sporting successes for some of our teams, so please read the sports bulletin to find out more.

The Year 6 production of The Lion King was a huge treat for anyone who saw it. What a joy it was to see the children performing with such energy, humour, maturity and empathy. We had the full range of emotions during the show and the singing in particular was spectacular. Well done to all the Year 6 children for such a wonderful performance and thank you to the whole Year 6 staff team, but in particular, Miss Lethbridge for coordinating and producing the show.

Grandparents' Festival was another treat. It was great to welcome so many grandparents and supporters of our children to the school and I know they all appreciated seeing some of what the children do at school as well as listening to their wonderful singing.

You will be receiving your child's annual report today and I hope you enjoy reading it. Please remember we have our 'Celebration of Work' evening on Monday next week starting at 5pm. This is a chance to see much of the work and studies that have been completed this year and celebrate all that has been achieved, so please enjoy it. Please also remember this is also a chance for you to express your thanks to your class teacher for this year and to meet your child's new teacher and introduce yourself. It is not designed as an opportunity to discuss your individual child's report or progress, so if you feel you need to do this, please make an appointment by contacting the school and we will try to accommodate this.

More staffing news: Two of our teachers, Mrs Carlson and Mr Freeth and Mrs Jordan from the office are all leaving us at the end of term, so we will be thanking them at the end of year assembly. I will share news of all the new staff who are joining us next week.

Finally, I had the pleasure of officially opening the library with the Friends of Goldsworth team this week. It has been lovely to see the children start to use the library and thanks once again to everyone who has put so much work in to make this happen – it really is a wonderful space.

With best wishes,

Mrs Kozlowski

Important Notices:

Please ensure you have the term dates in your diary. The school will not be able to authorise any term time holidays, so please ensure you book within holiday periods.

Twelve-15

Due to Twelve 15 currently having supply issues, the kitchen are currently not always able to source exactly what is on the menu, but children will be given a suitable alternative (halal, vegetarian etc.).

Boom Reader

Thank you to all the children who are reading throughout the week and the parents/carers who are recording this on the Boom reader app. This week:

63% of the children in 6C read during the week.

30% of 5M, 3G, Moles and Hedgehogs read this week; fantastic!

Well done to everyone, we read 414 times altogether.

Please continue to support your child by encouraging them to read, at least, 3 times a week and recording this on the app.

Thank you.

Online safety

As we approach the longer summer holiday, children may be on their devices more than usual. We will be reminding children in school of the importance of staying safe online. Please see the attached documents that explain a little more about online safety and strategies to support our children in staying safe.

Sporting update

It's time for the final sports report for the school year and what an impressive set of performances our students have produced.

Rounders

The U11s have been working hard in rounder's club over the course of the term and have been chomping at the bit to play against other schools. The Goldsworth A team finished their group unbeaten having played Pirbright B, Pyrford and Westfield, whilst the B team finished second having played Pirbright and New Haw. This meant that both teams ended up playing each other in the semi-final, which was a closely contested match with Oliver, Harry, and Josh playing particularly smoothly to get their school mates out. Goldsworth A went through to the final and Goldsworth B went through to contest for 3rd place. Both teams won their last games respectively to finish 1st and 3rd, in a set of closely fought contests.

WASPS Swimming Gala

The swim team travelled to Pool in the Park to compete against 8 other Woking schools. With varying degrees of experience in the team, every one showed grit and determination in every one of their races producing an excellent set of results.

The Junior sports day took place this week with the weather threatening to put a dampener on the occasion. Supported by a number of ex Goldsworth students from Woking High, the students took the opportunity to compete in the 60/70m, 300m, Standing Long Jump and Vortex throw with everyone scoring points for their houses, again the levels of sportsmanship from the students was fantastic.

The overall winners of the KS2 was of course Rowling!! Thank you to all of the school staff and the Woking High Sports Leaders for making it run so smoothly.

This year has flown by and it has been a fantastic experience seeing the students try so hard throughout the year at every single event we have entered. I look forward to hearing how the students continue to perform in the next academic year!

Mr Worth
