## Deputy Head's Lines

Dear Parents and Carers,

As per usual, It has been a very busy week here dominated by the Year 6 National Assessments. As a school, we could not be any prouder of the commitment, resilience and effort shown by every child. It was a real pleasure being involved and as an experienced Year 6 teacher, it was certainly the most calm, positive and well prepared assessment week I have been part of. I know the children will continue to work hard throughout the summer in preparation for secondary school but can now really look forward to their production, residential and many more exciting activities!

One of the exciting activities we look forward to is Sports Day and the dates have been communicated separately. I have just renewed my gym membership ahead of any potential staff race and children have started to use PE lessons to prepare!

On Thursday this week, our Year 3 children spent the day at Wisely Gardens to consolidate their science learning. The children had a brilliant day and behaved superbly showing enthusiasm and excitement throughout! The day was action packed and included a workshop, planting a cornflower and visiting the food garden to learn about growing fruit, vegetables and flowers.

On Tuesday Miss Baird organised for a group of children to join a golf event at St Dunstan's Primary School. The children had a great time and as always, represented the school values through their behaviour and participation.

With the weather improving each week, please can I ask that children in Years R - 2 keep a sun hat in their bags.

On a personal note, it has been a challenging week with dropping an important catch at cricket last night, Newcastle losing and my son putting a 'Manchester City' shirt at the top of his birthday list! However, when confiding to a group of Year 5 children at lunch, they reminded me of our Gold Values and have inspired me to continue to be the wicket keeper I can be (if ever selected again!).

I do hope you have a brilliant weekend and look forward to our final week before the half term break!

*David Gunning*

## Medication/Antibiotics and sickness...

We appreciate that many children are suffering with illnesses at this time of year and often they are easily treated with calpol, however if your child requires antibiotics they must have had at least 24 hour's worth of antibiotics before they can come in to school. This is in case of allergic reaction to the medication and to reduce the spread of infection. If in doubt, please call the office.

| Diarrhoea vomiting illness | Recommended period to be kept away from school | Comments  |
|----------------------------|--|---|
| Diarrhoea and/or vomiting  | 48 hours from last episode of diarrhoea        |   |
| Slap Cheek                 | None once rash has developed                   | High temperature, runny nose sore throat and headache |
| Conjunctivitis             | None   |   |
| Head Lice                  | None   | Treat whole family as soon as you spot them           |

# School Lunches...

## School Lunches

School lunches are now available to order for after half term and until the end of the academic year. Please order on the Arbor app or website, bearing in mind the 5 day cut off and if there are any days that you have missed the deadline then please provide a packed lunch from home for your child on those days.

Please also check your Arbor meals account balance and top it up if it is running low.

Thank you for helping us to reduce food wastage by cancelling pre-ordered school lunches either on Arbor or by email to [lunches@goldsworthprimary.co.uk](mailto:lunches@goldsworthprimary.co.uk) if your child prefers to bring a packed lunch from home on any day.

## Packed Lunches

Having a nutritious lunch can positively affect children's behaviour in the classroom thereby making learning easier. We believe it is our joint responsibility to teach our children about healthy eating habits and as such please see below a simple visual guide outlining the sort of things we would hope to see in your child's packed lunch.

As we are a nut free school please ensure **foods containing nuts are NOT brought into school** at all, either as part of a packed lunch or snack.

Thank you for your co-operation, if you have any queries or require further information please email [lunches@goldsworthprimary.co.uk](mailto:lunches@goldsworthprimary.co.uk)

## What goes in my lunch box

|                                |
|--------------------------------|
| Fruit (2 pieces)               |
| Sandwich , wrap or alternative |
| Dairy                          |
| Vegetables (2 pieces)          |
| Fibre/Grains (Wholegrains)     |
| Water                          |

This is an example of what your child's packed lunch could contain, we are not expecting children to have all of these in their lunch box.

## TriGolf Competition

On Tuesday 14th May, eight fabulous Year 3 children took part in a tri golf competition at St Dunstan's. Ishfi, Laibah, Rakshadev, Ayoub, Jay, Sophie, Svamin and Jason all had a brilliant time and it was lovely to watch them develop their golfing skills as they navigated the 7 different golfing stations. Each activity had the children working on their putting skills, aim and ability to control the ball.

With each station, our team grew in confidence but what was the greatest pleasure of all, was seeing them cheer each other on and taking each shot with a smile on their face. Well done to all and for truly showing the Goldsworth values throughout the whole event.

# What Parents & Carers Need to Know about

# WHATSAPP

AGE RESTRICTION  
**13+**

With more than two billion active users exchanging texts, photos, videos and documents, as well as making voice and video calls, WhatsApp is the world's most popular messaging service. Its end-to-end encryption only allows messages to be viewed by the sender and any recipients; not even WhatsApp itself can read them. This privacy issue has been in the spotlight recently, as the UK's Online Safety Bill proposes to end such encryption on private messaging; WhatsApp is unwilling to do so and has reportedly considered withdrawing its service in the UK should this legislation go ahead.

## WHAT ARE THE RISKS?

### EVOLVING SCAMS

WhatsApp's popularity makes it a lucrative hunting ground for scammers. Recent examples include posing as the target's child, requesting a money transfer because of a spurious 'emergency'. Plus a scam where fraudsters trigger a verification message by attempting to log in to your account, then (posing as WhatsApp) call or text to ask you to repeat the code back to them, giving them access.

### CONTACT FROM STRANGERS

To start a chat, someone only needs the mobile number of the WhatsApp user that they want to message. If your child has ever given their number out to someone they don't know, that person could then contact them via WhatsApp. It's also possible that your child might be added to a group chat (by one of their friends, for example) containing other people that they don't know.

### FAKE NEWS

WhatsApp's connectivity and ease of use allows news to be shared rapidly – whether it's true or not. To combat the spread of misinformation, messages forwarded more than five times on the app now display a "Forwarded many times" label and a double arrow icon. This makes users aware that the message they've just received is far from an original ... and might not be entirely factual, either.

### 'VIEW ONCE' CONTENT

The facility to send images or messages that can only be viewed once has led to some WhatsApp users sharing inappropriate images or abusive texts, knowing that the recipient can't re-open them later to use as evidence of misconduct. People used to be able to screenshot this 'disappearing' content – but a recently added WhatsApp feature now blocks this, citing increased privacy.

### CHAT LOCK

Another new option allows users to store certain messages or chats in a separate 'locked chats' folder, saved behind a passcode, fingerprint or face ID authentication. The risk here is that this function creates the potential for young people to hide conversations and content that they suspect their parents wouldn't approve of (such as age-inappropriate material).

### VISIBLE LOCATION

WhatsApp's 'live location' feature lets users share their current whereabouts, which can be helpful for friends meeting up or parents checking that their child's safely on the way home, for example. However, anyone in your child's contacts list or in a mutual group chat can also track their location – potentially letting strangers identify a child's home address or journeys that they make regularly.

## Advice for Parents & Carers

...TYPING...

### EMPHASISE CAUTION

Encourage your child to treat unexpected messages with caution: get them to consider, for example, whether the message sounds like something a friend or relative would really send them. Make sure they know never to share personal details over WhatsApp, and to be wary of clicking on any links in messages. Setting up two-step verification adds a further layer of protection to their WhatsApp account.

### THINKING BEFORE SHARING

Help your child to understand why it's important to stop and think before posting or forwarding something on WhatsApp. It's easy – and all too common – for content to then be shared more widely (even publicly on social media). Encourage your child to consider how an ill-judged message might damage their reputation or upset a friend who sent something to them in confidence.

### ADJUST THE SETTINGS

It's wise to change your child's WhatsApp settings (go to 'Privacy', then 'Groups') to specify which of their contacts can add them to group chats without needing approval; you can give permission to 'My Contacts' or 'My Contacts Except ...'. Additionally, if your child needs to use 'live location', emphasise that they should enable this function for only as long as they need – and then turn it off.

### CHAT ABOUT PRIVACY

Some parents like to check in with their child about how they're using WhatsApp, explaining that it will help to keep them safe. If you spot a 'Locked Chats' folder, you might want to talk about the sort of chats that are in there, who they're with and why your child wants to keep them hidden. Also, if your child has sent any 'view once' content, you could discuss their reasons for using this feature.

Friday, 24th May (next week!) – Tuck Shop

Children will need to bring:

- 50p in a named purse or envelope

- Six to twelve cakes or cookies (shop bought or home baked), or six pieces of portioned fruit.

Cakes should be nut free (please check ingredients as some cakes, such as the mini Colin the Caterpillar cakes from M&S, may contain hidden nuts). Children with allergies should bring two cakes and one fruit portion in a clearly named, sealed container stating the allergy and give this to their teacher.

We need still adult volunteers to help with the sale. If you can spare some time (you don't need to be DBS checked), please register by visiting [www.pta-events.co.uk/friendsofgoldsworth](http://www.pta-events.co.uk/friendsofgoldsworth) and clicking on Tuck Shop on the left of the page, or let us know via your class rep. We also welcome grandparents who are happy to help. Any length of time you can give is helpful, you don't have to stay the whole morning.

## Freeze Pop Fridays

Fridays after half term are Freeze Pop Fridays! In the second half of the summer term freeze pops will be sold after school, and we ask that each year group please organises volunteers according to the dates below:

Friday, 7th June – Year 6

Friday, 14th June – Year 5

Friday, 21st June – Year 4

Friday, 28th June – Year 3

Friday, 5th July – Year 2

Friday, 12th July – Year 1

Friday, 19th July – Reception

If you would like to help out (the kids can of course join you!), please let your class rep know.

## Monday 10th to Wednesday 12th June – No Adults Allowed Gift Shop

Our No Adults Allowed Gift Shop will be back in June, giving your children the chance to choose a secret gift for someone special on Fathers' Day.

For your child to take part, you need to purchase a £3 gift voucher (one voucher per gift), then bring your child to the gift shop after school on the day you have selected and wait outside while they exchange the voucher for a gift of their choice. Vouchers are available to buy from

[www.pta-events.co.uk/friendsofgoldsworth](http://www.pta-events.co.uk/friendsofgoldsworth).

## Sunday, 7th July – Summer Fayre

Don't forget to save the date for our Summer Fayre!

Can you display an Estate Agent Board promoting the Fayre?

We are lucky to have arranged a sponsorship deal with Seymours Estate Agents in Woking to advertise the School Fayre, and need volunteers to allow an advertising board to be displayed on their property. The boards will be put up approximately three weeks before the fayre, and removed after the event. This is a fantastic opportunity to raise a significant amount of money for the school with a minimum amount of effort.

If you or your friends and family can display a board at your property, then please let us know. We need to get the boards ordered in time, so if you could email us at [chair@goldsworthfriends.org.uk](mailto:chair@goldsworthfriends.org.uk) with the following details BEFORE 7th June it would be greatly appreciated:

Name

Address

Telephone number

Email address

Any special request as to where to place the board

### We need Raffle Prizes!

If you work for a company that can donate a prize to the school, we would very much appreciate it. For instance, tickets to sporting events, one-off experiences, electronic items etc. Please email [chair@goldsworthfriends.org.uk](mailto:chair@goldsworthfriends.org.uk) if you are able to contribute.

### Committee News

The Friends of Goldsworth is currently led by two co-chairs who, supported by a small committee of other parent volunteers, organise our PTA events and decide how the funds we raise are spent. One of our co-chairs will be leaving us this summer, so we will need someone to fill this role from September (this could be more than one person, with the role of chair split between them).

Volunteering for the Friends of Goldsworth is a great way to become more involved in school life, getting to know the staff, pupils and other parents, while helping to raise money to enhance our children's school experience. If you are interested in finding out more about joining our friendly team, please email [info@goldsworthfriends.org.uk](mailto:info@goldsworthfriends.org.uk) or speak to a member of our committee.

Keep Updated Remember to follow us on Facebook [www.facebook.com/friendsofgoldsworth](https://www.facebook.com/friendsofgoldsworth) and Instagram [www.instagram.com/friendsofgoldsworth](https://www.instagram.com/friendsofgoldsworth) for updates and reminders. We also have a costume swap group on Facebook <https://www.facebook.com/groups/2057262757820608>, where you can find second hand costumes for class performances and other school dress up days.

# Wise Owl club

The Club offers a wide variety of activities ranging from arts and crafts and forest school to multi-sports run by our experienced playworkers. There is a large range of resources to entertain the children. We also make use of the school halls, the playgrounds and climbing structures (weather and light permitting) and our environmental area for forest school. A varied menu is available ranging from hot and cold snacks. The After School Club runs from the end of school day to 6.00pm (except on the last day of term when it closes at 4.30pm as school also finishes early).
