

# Year 2 - Summer Two 2026

## Value of the half term: RESPONSIBILITY AND PARTICIPATION

**As Readers, we will** begin reading chapter books including —The little wolf's book of badness, Bill's New Frock and The Giraffe the Pelly and Me. We will also read a selection information texts about mini-beasts in English including 'The Flight of the Honey Bee'

**As Writers, we will** write a narrative journey story based on 'the class story 'Harry the Poisonous Centipede' story and write information guides for how to help bees.

**As Mathematicians, we will** explore the language of position, direction and pattern. We will read, interpret and create Tally Charts and pictograms and apply our understanding to worded problems.

**As Artists, we will** take inspiration from the artist Mary Wulff and experiment with line, texture and printing to create a symmetrical image of a mini-beast.

**As Scientists, we will** identify and classify mini-beasts, explore the lifecycle of different mini-beasts. We will also learn more about habitats and micro-habitats, and how animals are suited to their environment.

**As Historians we will** explore what school life was like in the past and compare it to schools nowadays.

In **Computing**, we will learn to programme quizzes and use and modify designs to create our own quiz questions in ScratchJr.

In **RE** we will explore the question 'Why should we look after our world?'. In **PE** we will learn personal fitness exercises and striking and fielding skills.

Growing together

Opportunities for all

Learning for life

Daring to dream
