

Year 2 – Autumn One 2026

Value of the half term: Respect

As **Writers**, we will retell and reinvent the classic fairy tale 'The Three Little Pigs'. We will also look at Emily Gravett's 'Wolves' book and create information pages about fairy tale creatures.

As **Readers**, we will build on our phonic knowledge and develop comprehension skills with appropriate level texts.

As **Mathematicians**, we will be learning to count to 100 through different steps including counting up and back in tens. The children will look at comparing numbers using their place value knowledge and we will revisit number bonds.

As **Scientists**, we will be comparing and describing different materials, looking at how materials change under different forces and using technical language associated with materials.

As **Artists**, we will look at the work of Georgia O'Keefe to explore tints and tones in our paintings of dragon's eyes.

As **Designers**, we will make our own house for the Three Little Pigs.

In **Geography**, we will be considering whether we would prefer to live in a hot or cold place, learning about the 7 continents and what is the equator?

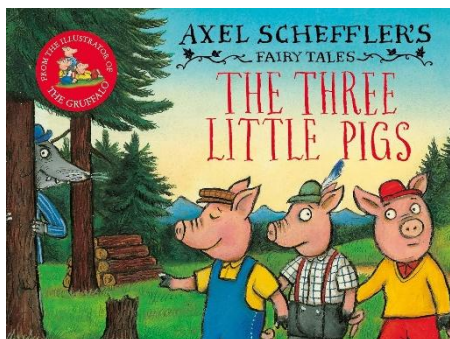

In **Religious Education**, we will be looking at Christianity, explore the question, 'What is God like for Christians?'

As **Musicians**, we will learn to sing and perform folk songs from around the British Isles.

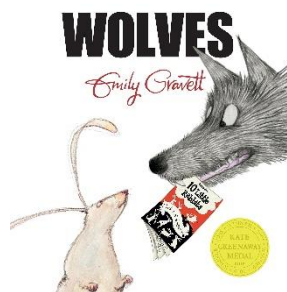

In **PE**, we will practice games to build teamwork and develop ball skills.

In **PSHE**, we will be looking what makes a good friend, understanding school rules and routines and gathering strategies to help us regulate our emotions.

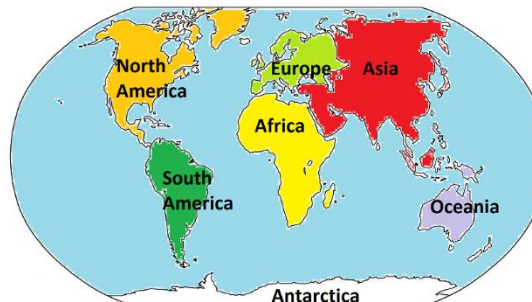

Growing together

Opportunities for all

Learning for life

Daring to dream
